A very warm welcome to all as we begin the 2017 school year. We have now completed Week 2 and things, as always, have begun at a hectic pace. Extreme weather was a highlight of this past week as we battled through 38 degrees on Monday and then a huge storm on Tuesday. However, despite these challenges, everything has run smoothly so far. Week 1 saw the Swimming Carnival and Photo Day come and go but this week has been more settled as we move into our regular routine.

Of course, there are some aspects of schools that continue even while most of us are enjoying the holiday break. Throughout late December and all of January there were a number of building and maintenance projects being attended to. It is a rather long list but I will highlight just a few of the more significant ones for you:

- The Marist Centre has been repainted on the inside
- Installation of 650 new lockers
- New Trophy Cabinet in the Devlin Centre
- New flooring in the Science Laboratories

There were over a dozen other minor works attended to and I am most grateful to the various contractors for this work being largely completed by the start of term.

This year we welcome 11 new staff to Marcellin and they have settled in very well and are already adapting to their new surrounds. We welcome:

- Mr Robert Almeida (Science)
- Ms Lisa Boot (Italian)
- Mr Michael Borel (Science Lab Technician)
- Mr Robert Capizzi (Mathematics & Sports Coordinator)
- Mr Peter Damalas (English Coordinator)
- Mr Chris Kitchingman (English & Assistant KLA Leader)
- Mr Chris Shields (Director of Teaching and M-Learning)
- Ms Sarah Mirabito (HSIE & Assistant KLA Leader)
- Ms Chiara Pascuzzo (Music)
- Mr David Smith (TAS)
- Mr Justin Storey (Youth Minister)

I would also like to bring to your attention two very significant staff additions to the College Executive for this year. I am pleased to announce that Mr Anthony Burke (HSIE Coordinator and Assistant to the Director of Teaching and M-Learning) and Ms Jenny Dove (Diverse Learning Coordinator) will join Mr Paul Daley (Deputy Headmaster), Mr Chris Shields (Director of Teaching and M-Learning) and Ms Jane Evans (Director of Development and Communications) in assisting me on the College Executive for 2017. These are important appointments and I am confident that the leadership of the College will be enhanced by the presence of Mr Burke and Ms Dove.

A real highlight of our start this year occurred on Wednesday of this week with the first Headmaster’s Assembly for the year. We were delighted to welcome back to the College the HSC High Achievers from the class of 2016 and their parents and carers. The Marist Centre was full and the atmosphere uplifting as we celebrated the achievements of this wonderful group of young men. We were privileged to have as our special guest former Headmaster and Old Boy of the College Br Robert O’Connor FMS who addressed the assembly and gave some sage advice to this group and the current students.

You will read more about the outstanding results in last year’s HSC on Pages 8 and 10 of this newsletter, but one (of the many) highlights for me was that the combined total of Band 5 and Band 6s achieved was 413 – the largest by some way in the College’s history and an exceptional result.

2016 Academic Awards for Years 7-10 were also presented at
the assembly and I congratulate these boys as well on their achievement which has been built on consistent hard work and effort.

After careful consultation, the College has published a document entitled Protocols for the use of email as a communication tool at Marcellin College. It contains a list of expectations for parents and staff around email communication. The document is available on the website and I would encourage all parents and carers to read it. It can be accessed by clicking here. It is designed to assist in making email contact appropriate and helpful. I am more than happy to hear feedback and suggestions on the document if you would like to respond to anything in the document.

Many of you would be aware that I underwent a contract renewal process with Sydney Catholic Schools (SCS) in June last year. Thank you again to those in the Marcellin community who were involved in that process. On Page 3 you will find a message from the Executive Director of Sydney Catholic Schools Dr Dan White in relation to the outcome.

Also from Dr White, you will find on Pages 4-5 a letter in relation to issues surrounding child protection. Given the current media attention being paid to this issue, this is a very important and reassuring letter for all parents and carers who have children in Catholic schools in the Archdiocese.

“We kept on, exhausting ourselves in the process, but exhaustion has always been my friend and I don’t mind going there. Near the bottom of its fathomless pit I usually find results. We failed until we didn’t”

My summer holiday reading included the Bruce Springsteen autobiography “Born to Run”. The quote above comes from that book and refers to the endless hours that he and other members of the E Street Band would spend in trying to get the best possible sound they could in the recording studio. It struck a chord (excuse the pun) with me immediately because I had been speaking to the staff a lot about the need to encourage our boys to ‘embrace failure’ as a means of achieving success in their studies and more broadly, in their lives. In fact, it is there specifically in our Annual Improvement Plan (AIP) as one of the strategies we will develop with the boys throughout the year - to not let the fear of failure stop them from having a go.

Having sat – and danced and clapped – through over 3 hours of a Bruce Springsteen concert earlier this week, I witnessed first-hand the result of years of unrelenting practice and commitment – a history of working through the setbacks and failures in order to pursue something worthwhile and in the end, hugely successful. This approach builds resilience and empowers people. We will speak and write more about it as the year rolls on.

With blessings for the fortnight ahead.

Mr John Hickey
Headmaster
CONTRACT RENEWAL FOR PRINCIPALS

Further to your Principal, Mr John Hickey’s Review Consultation Process for Principals in June, I have received the Report of the Review Team and I am pleased to advise the school community that Mr Hickey has been offered a further contract as Principal at Marcellin College, Randwick. My sincere thanks to all in the community who have contributed to this process.

Dr Dan White
EXECUTIVE DIRECTOR OF SYDNEY CATHOLIC SCHOOLS

MEET AND GREET COCKTAIL EVENING

Friday 17 February 2017
The College Courtyard @6.00 - 8.00pm

Parents are warmly invited to meet the College Executive, staff and other parents in a relaxed and social environment at the 2017 Meet and Greet evening.

COST: Years 8-12 parents - $20.00 (BOOKING VIA TRYBOOKING ESSENTIAL)
Year 7 parents - complimentary (RSVP maryanne.davis@syd.catholic.edu.au)

PLEASE NOTE THIS A PARENT ONLY FUNCTION
3 February 2017

Dear Parents and Carers

I am writing to you about a matter that is very close to my heart and of significance to our entire Catholic community.

Next week, the Royal Commission into Institutional Responses to Child Sexual Abuse will commence its 50th public hearing and will focus on the Catholic Church’s response to the many issues and case studies that have been raised.

As Executive Director of Sydney Catholic Schools (SCS), I join with other Catholic leaders in reaffirming our total commitment to respond to the recommendations of the Royal Commission in a proactive and positive way.

I also reaffirm my condemnation of the actions of any person who has caused harm and distress to a child or young person. Our care and compassion for the victims of abuse is paramount and enduring.

Over the past 20 years, all schools in NSW, and in particular our Catholic schools in Sydney, have developed a range of policies and procedures to ensure that a strong, robust ‘circle of safety’ surrounds each and every one of the children in our care.

Building on this position of care and safety, SCS have developed a comprehensive Child Safe Schools Framework, which will be formally launched on 29 March this year.

This Framework reaffirms our system’s determination to uphold the existing values and practices in our schools that create safe and effective learning environments for all students. It also makes explicit the many ways our schools align with the recommended elements for Creating Child Safe Institutions released by The Royal Commission.

The recommended advice from the Royal Commission will continue to refine and enhance our...
culture of keeping children safe and secure in Catholic schools in the Archdiocese of Sydney.

The SCS Framework will also ensure that we continue to strengthen our links with our parishes, Church agencies as well as parents and other community groups. This is core to our vision as we collectively continue to foster a culture of child safety and wellbeing in our communities.

Working together with parents, parishes and schools we have ensured the safety and wellbeing of all our children. It is anticipated, in coming months, that our Child Safe Schools Framework will provide additional information and resources that will further strengthen our Child Safe culture. In particular, the SCS’ Child Safe Schools (Child Protection) Information for Parents resource can be found here.

As an educator and a parent, I consider it a privilege to work in an organisation that puts child safety first, and that has at the core of its mission the values of the Catholic Church.

Thank you for your continued support of our Sydney Catholic School community. Wishing you and your family a happy and safe year ahead.

Yours faithfully

Dr Dan White
Executive Director of Sydney Catholic Schools
From the Deputy Headmaster

As always the new school year has begun with high expectations and a flurry of activity. The College has enjoyed another hugely successful swimming carnival, The College photo day, a memorable Academic High Achiever’s Assembly as well as officially welcoming our new Year Seven students into the school community.

All of this by the end of Week 2!

By now every year group has also had their first pastoral lesson for the year. Pastoral lessons are organised and overseen by Year Coordinators and occur at a designated period in our fortnightly cycle. These lessons are extremely important for the wellbeing and development of our students.

Each Year Coordinator has tailored a specific program that targets the needs of their year group. Structured lessons, presentations, seminars, guest speakers and group activities will be some of the means by which important topics such as cyber safety, social media and drug and alcohol education will be explored. Students will be confronted, challenged and educated so as they can respond appropriately to the trials and tribulations associated with being an adolescent male in the Eastern Suburbs of Sydney.

Importantly, pastoral periods will also play an important role in implementing our new whole school approach to study skills. These study skills will be launched shortly to respective year groups with the aim of alleviating the stress and anxiety that many students face in preparing for exams and assessment tasks.

Wishing everyone the best for a happy and successful year.
Warm regards

Mr Paul Daley
Deputy Headmaster

TERM 1 IMPORTANT DATES

| Week 3 | Mon, 13 Feb | Year 7 Vaccinations |
|        | Tue, 14 Feb | Yr 11 Student /Parent |
|        | Fri, 17 Feb | Solidarity Information Evening |

Welcome New Staff
Mr Robert Almeida
Mr Michael Borel
Mr Robert Capizzi
Mr Peter Damalas
Mr Chris Kitchingman
Mr Terence McGrath
Ms Sarah Mirabito
Ms Chiara Pascuzzo
Mr David Smith

Welcome Year 7

Dear Lord,

We ask to you to bless our Year 7 students as they begin their high school education here at Marcellin College. Give them strength and grace as their bodies grow; wisdom and knowledge as they search for understanding; and peace and zeal to their hearts. May they strive to be good christians and good citizens, and embody the characteristics of The Marcellin Graduate.
Amen.
Headmaster’s Assembly - 2016 HSC Results

At our recent Headmaster’s Assembly, the College celebrated the achievements of the 2016 Higher School Certificate High Achievers and our Year 7-10 students from Semester 2 2016.

Special guests, Brother Robert O’Connor and Father Greg Morgan joined a large gathering of parents and friends in attendance at the Assembly. Brother Robert delivered an inspiring keynote address set around the enduring ‘lighthouse’ qualities of the Marcellin student.

Students who received a Band 6 (a HSC mark of 90 or higher) or achieved an ATAR (Australian Tertiary Admission Rank) of 90+ from our 2016 HSC group were invited back to the Assembly to be congratulated by the College community. Fifty one of the high achievers were on hand to receive a College certificate from Mr Hickey. Julian Breznik was announced as the recipient of the College’s Br Jeffery Crowe Award for the Highest ATAR trophy. This is awarded to the student from the HSC cohort with the highest ATAR. Julian, who is currently travelling through Europe, was represented at the assembly by his parents, and his father, Mr Mark Breznik accepted the award on his behalf from Br Robert O’Connor. Julian received an ATAR of 97.75.

The College also acknowledged the 111 boys from Years 7-10 last year, who finished in first place in their class subject or course. The prestigious Year 10 Dux for 2016 was awarded to Thomas Stellino.

Congratulations to our award winners, and let’s hope 2017 holds as many highlights as those celebrated at our assembly.

Mr Chris Shields
Director of Teaching & M-Learning

Congratulations 2016 HSC High Achievers - Band 6/ E4 / ATAR 90+

Headmaster’s Assembly

The first Headmaster’s Assembly for 2017 was held on Wednesday, 8 February. The new Year 7 cohort was officially welcomed and individual subject first placegetters from Years 7-10 2016 were recognised. A highlight of the Assembly was the presence of 51 graduates from the Class of 2016 who excelled in their HSC with a Band 6 / E4 / ATAR 90+ result. We also congratulated three of our 2016 Year 11 students who achieved a Band 6 in the 2016 HSC.

Photo right: Br Robert O’Connor presenting the Br Jeffery Crowe Award for the Highest ATAR trophy to Mr Mark Breznik (pictured right), who accepted the trophy on behalf of his son Julian, who received an ATAR of 97.75.

PUBLIC SPEAKING AND DEBATING

The first round of the CSDA Public Speaking Competition takes place on March 3 and trials will be held in Week 3 for students from all years who wish to participate. Two students from each year group Yr7-10 are selected and 4 students from the senior years.

Students are given a topic which they can prepare well in advance. (The timings are given in the table below.) It is an excellent opportunity for the boys to demonstrate their creative, dramatic and oratorical flair. In particular Year 11 students have the chance to showcase their potential for leadership roles.

Interested applicants are asked to prepare a one minute speech on the subject: “We are all in the gutter but some of us are looking at the stars” to be delivered at a lunchtime meeting in Week 3 (day to be advised).

Debating begins in Term 2 and trials will be held later this term. This year, for the first time, some debates will happen on Wednesday evenings instead of Fridays. There is also the opportunity for Year 12 students to adjudicate debates. Anyone interested please see me at the first possible opportunity.

MARCELLIN COLLEGE RANDWICK
OPEN DAY 2017

WEDNESDAY, 22 FEB
3.00 - 6.00PM
ALL WELCOME

195 Alison Road, Randwick
www.marcellin.nsw.edu.au
Ph: (02) 9398 6355

Good Christians and Good Citizens
From The Sports Coordinator

Welcome back to all parents and students and a warm welcome to all the Year 7 boys and parents joining Marcellin College in 2017. The summer representative season continues during Term 1 with all Basketball, Cricket, Tennis and Touch Football teams well placed to make the semi-finals. Unfortunately, due to ground closures, Thursday’s representative sport was cancelled and Round 7 will now be played on Thursday, 16 February. We wish all our representative boys and coaches the best of luck for the remainder of the season.

MCR SWIMMING CARNIVAL

On Friday, 3 February, the 94th Annual Swimming Carnival was held at Botany Aquatic Centre. Conditions were perfect for our Marcellin community to come together in a carnival mixed with competition and team based activities. The day began with our championship Freestyle and Butterfly events followed by a rotation of water based activities. The 100m Freestyle and Relays were our last events and a chance for each house to show their support for these swimmers.

Congratulations to house captain Nicholas Bolard and his Bowen team on winning the carnival on 1,212 points. Ignatius were placed second on 848 points with Fallon in third place on 778. Results did not go Anselm’s way on the day however, the spirit in which they dressed and supported their team mates, in particular in the cheer off, was obvious for everyone to see.

Congratulations the individual place getters:

Under 12
1st Toby Doyle (Ignatius 60 points)
2nd Will Punton (Bowen 46 points)
3rd Ben Christensen (Bowen 34 points)

Under 13
1st Sam Walsh (Anselm 54 points)
2nd Warren Laing (Ignatius 34 points)
3rd Fletcher Bessant (Bowen 20 points)

Under 14
1st Jake Andrews (Ignatius 60 points)
2nd Anthony Sinapi (Bowen 46 points)
3rd Presley Jackson (Anselm 21 points)

Under 15
1st Marcus Littlejohn (Bowen 56 points)
2nd Ryan Wilkes (Anselm 50 points)
3rd Blair McRae (Bowen 40 points)

Under 16
1st Alejandro Belmont Camacho (Fallon 60 points)
2nd Lachlan Rheinberger (Fallon 42 points)
3rd Luke Porter-Daly (Fallon 38 points)

Opens
1st Kel Gollan (Ignatius 47 points)
2nd Tobias Dunn (Bowen 40 points)
3rd Jack Rheinberger (Fallon 37 points)

A special thank you to all the parents who came out to support their sons and help out at the carnival. It is always good to have as many parents as possible at these events and your attendance was very much appreciated.

Our swimming team has now been selected and will begin training on Monday, 13 February at Botany Aquatic Centre at 7.00am. Marcellin has an outstanding reputation in swimming, winning this event for over 30 years. We look forward to watching the boys compete at the MCC Championships on Thursday, 23 March.

CCC SPORT

For elite athletes wishing to apply for CCC sports, information is on the NSWCCC website. To apply for entry into one of these events, you will need to register your name on the following site: www.csss.nsw.edu.au/register-parents.aspx. Once you have registered your name you can then go back to the NSWCCC website and register for the appropriate sport. When registering for a sport, I ask that only elite sportsmen apply for a particular sport and if you do nominate, that you provide correspondence to myself or Mr O’Shea that you have applied for a sport. You will also need to notify the staff in the Front Office of the days you will be away. If you have any queries about this, please contact me at school.

Our Cross Country trials were held yesterday for boys in the Under 12 to Under 15 divisions. A preliminary squad will be chosen for all age groups and a final team will be selected in the coming weeks. The MCC Cross Country Championships will be held in Week 9 on Thursday, 30 March.

I would like to take this opportunity to wish everyone the best of luck for the upcoming sporting season. We respect the effort and commitment our boys and staff devote to their sports and we as a community enjoy watching the boys do their best. We look forward to another successful year.
