Champagnat Week Celebrations

With the possible exception of Graduation Day, Champagnat Day is undoubtedly one of the most important occasions in the year for us here at Marcellin. It represents so much of our story and our heritage.

The day began with a beautiful Mass in The Marist Centre. This year we had the special privilege of inviting back Bishop David Walker, an “Old Boy” of the College, to be the main celebrant for our Mass. Bishop David was also presented with the 2018 Marcellin College Ex–Student Champagnat Award for his services to the Catholic Church and Australian society more broadly. (A copy of the citation for Bishop David is available on the College website).

Also presented at the conclusion of Mass were the student and staff Champagnat Awards. These awards are amongst the most highly valued at our College as they recognise the particular Marist values we all aim to aspire to, namely; encouragement, persistence, trust, care for others, hard work, generosity and respect.

From liturgy, ritual and awards, the day turned to entertainment, fun and fundraising. A selection of talented students and staff put on a concert to remember as they took to the stage as part of the Marcellin’s Got Talent section of the day. It was entertaining, highly interactive and thoroughly enjoyed by the audience.

The fun continued into the afternoon with food stalls, games and activities. There was a serious side to all this, as the money raised at the afternoon activities has been earmarked to assist with providing a teacher training scholarship for a local person in Timor Leste. The Marists are involved in the Teachers College there and are about to start up a school also. We hope to continue to build our relationship with the Marist work being done in Timor Leste and this is a great starting point. St Marcellin’s legacy continues to grow.

All in all, it was an engaging and memorable day – a day when all in our community have the opportunity to not only celebrate and be grateful for our tradition, but to work towards continuing that tradition in a way that is true to St Marcellin’s vision.

Term 1 Visual Arts Elective Showcase

Term 1 was a creative and productive time for the Marcellin Elective Art and Visual Design students as you will see in the images below, which showcase the outstanding talent. Year 9 Visual Design were asked to design a CD cover, T-Shirt and Badge for an imagined band of their choosing using both Photoshop and non digital techniques. Year 11 spent the term visually exploring the site of Coogee Beach through different drawing techniques to finally produce a mixed media style of drawing encapsulating their impression of the area.

LOST PROPERTY

There is a large amount of lost property at the College Front Office, including sports bags, pencil cases and jumpers.

If any student is in need of an extra item of school uniform, please call in and speak with the Front Office ladies, as they have clothing to give away.

After School Supervision

As there is no supervision available after school in the gymnasium, The Marist Centre or in the yard, students need to go straight home and are not to use the basketball courts after school has finished for the day. Students may only remain onsite with arranged teacher supervision.

MCC Sport

When the MCC Winter draw is released one of the first dates that gets pencilled in the diary is the matchup with Holy Cross College Ryde, particularly for our Rugby League teams. Since their reintroduction to the MCC Association in 2013, Holy Cross have been consistent performers having taken out the Aggregate trophy in Rugby League in the past two years.

Looking at the results from the round it is clear that our squads had turned up ready to play, as we came away with wins in 5 of the 6 Rugby League matches and 3 of the 6 Soccer games. Coming up to the halfway point in the season all teams are still in the hunt for a semi-final berth. It was great to see the U14 Rugby League team get off the mark with their first win of the season and it was a gutsy win for our A Grade League squad who took the win away from home with 6 of their regular starters out with injury.

Heavy rain forced the closure of the majority of fields in Sydney this week which unfortunately meant the Round 4 fixtures against Christian Brothers Lewisham were washed out. These matches will now be played in Week 10 (July 5) which has been set aside as the spare round.

Results from Round Three are below.
