

MARCELLIN COLLEGE RANDWICK

SCHOOL BUS SERVICES & OPAL CARD APPLICATION

Transport NSW provides dedicated school bus services for students at Marcellin College. Secondary School students are eligible for subsidised transport if they live more than 2.0km (radial distance) from the College, measured on a radius from the centre of the school site, or 2.9km or more by the most direct practicable walking route to the nearest point of physical entry to the school. All students must apply for an OPAL card to catch these busses.

We encourage parents to avail themselves of these services and refrain as far as possible from driving your son to school. You can find the timetables and maps for school services available to Marcellin College students on the Transport NSW website. Students can plan their journey via the link: <https://transportnsw.info/routes#/bus>

Opal card applications can only be completed online - please follow the links via www.transportnsw.info/school-students. For families without internet access, please call 131 500 for assistance with your application.

Year 7 students will receive their Opal Cards in the mail before the commencement of Term 1 2019. However, should your son not receive his in time, do not worry as there is a grace period for the first few weeks of school to allow for all cards to be distributed. During this grace period, students are able to travel on a bus without a card.
