From the Deputy Headmaster

A SENSE OF PRIDE

Last Friday at the Summer Sports Headmaster’s Assembly, we celebrated our successes in sport at Marcellin College. A highlight of this Assembly was the presence of an Old Boy and special guest, Mr Richard Chee Quee.

Richard was the first player of Chinese origin to play first-class cricket in Australia. He was a powerful top order batsman who dominated Sydney grade cricket for more than a decade with the Randwick club. Richard played 24 matches for NSW between 1992 and 1998. He scored one hundred against the West Indies in 1995-96 and two years earlier smashed 131 in the Mercantile Cup final. After playing his final NSW match in 1997-98, he continued to score heavily for Randwick, and when he retired at the end of the 2005-06 campaign he had made almost 11,000 runs for them. Only six other batsmen had ever made more runs in Sydney grade cricket than Richard. Richard graduated from Marcellin College in 1986 having always represented Marcellin in MCC cricket and was nothing but inspirational as he reminisced of his time as a student at Marcellin and what this did in setting him up for his future.

... Marcellin provided numerous opportunities for Richard, which he attributes to his success in life...

Following the assembly, I gave Richard a guided tour of the school and we visited a few classrooms. Despite all his successes in his time playing cricket, Richard was moved when he saw himself in our Hall of Fame outside the Library. He said to the boys that it is hard as current students to appreciate the memories and pride you will have for your school in the future. In fact, Richard still remembers the Sub Tuum and War Cry, and sings them with mates at get-togethers.

I was very interested (as an old boy myself) to listen as Richard spoke passionately to the boys he was addressing. Marcellin provided numerous opportunities for Richard, which he attributes to his success in life. Richard stated, “I was not only the only Asian kid in my class when at school – I was the only Asian kid in my Year. This place was full of blonde hair and blue eyed kids and somehow I had to fit in.”

Richard talked about exploring your talents and taking a risk with them in order to succeed. Putting up your hand and having a go is perhaps the first step in achieving this. He found his talent in the sport of cricket and he discovered this at school. As his confidence grew in his cricket, so too did it in other areas, including being accepted for who he was among his peers and friends. He encouraged all students to contribute to their school and make a difference.

continued over...
When Richard briefly spoke to Year 11 at their Year meeting, his message was all about hard work. Things don’t come easy in life, but with a little bit of hard work, success is a little bit closer. Respect, trust and humility are three more ingredients in being a happy and decent human being with an ability to make a difference in this world. He commented that you can enjoy school but that you must work hard, and ask your teachers to help you succeed.

It was Richard’s sense of pride for the College and his personal humility that resonated strongly with me during his visit to Marcellin. These are qualities, amongst others, that we strive to nurture within the Marcellin Graduate. Richard’s joy at looking at old photos in the classrooms and the fondness with which he spoke of his school days will stay with me. It is my hope that our current students carry this sense of pride with them throughout their school journey and beyond.

In light of what Richard had to say, I would like to encourage boys at Marcellin to form good relationships and work hard at maintaining them. Good relationships create positive experiences. Learning is enhanced when the relationship between a student and a teacher is solid. Learning and friendships are enhanced with strong peer relationships and love is enhanced when working on strengthening relationships at home. I would like to finish with a quote from The Marcellin Graduate.

At the heart of the Marcellin Graduate is a love for God and a deep sense of respect for others, self, family, friends, and all those in the College community. He nurtures positive relationships with others and values the little things like grooming and good manners. He stands up for what he knows to be right, he empathises with those on the margins and even champions their cause. He is always willing to forgive.

(#2 A Respectful Man)

Have an enjoyable week.

Mr Peter Buxton
Deputy Headmaster

**TRIVIA NIGHT**

Parents who have paid for their Trivia Night tickets not through the Front Office will need to contact the College if they wish to be seated at a particular table. Those who have not paid for their tickets need to do so as soon as possible.
Marist Pilgrimage 2014

Earlier this year Brother David put forward the challenge to both Staff and Parents to move our students ‘out of the bubble’ - to challenge our ‘world view’. What better setting for that challenge than by being part of a Marist community - a community that has a direct impact on the lives of people in 80 different countries.

For three weeks, over the recently completed Easter holidays I had the privilege of being immersed in a tiny portion of that work. I was a member of the 2014 Marist Pilgrimage Tour. With our pilgrim leaders, Brother Michael Akers and Brother Michael Green, I was joined by twenty three other members of Marist schools and communities from throughout Australia. We embarked on a journey which took in Marist Schools in India, the Marist General House in Rome, and finally, back to where it all began for Marists, the area in and around Lavalla, France.

The highlights of the pilgrimage would fill this newsletter ten times over, but one story in particular touched my heart, and will remain in my memory for ever.

While in India we visited a Marist School, in P.Udayapatty, a small ‘village’, about 50 kilometres outside of Tiruchirapalli (Trichy) in Southern India, not far from Sri Lanka, in fact the language spoken is Tamil. The school is K-12, with a student population of about 1,600 children. Amongst the throng of literally hundreds of children who welcomed us with open arms and laughter, we met Aajesh, a young 11 year old boy. He was very keen to engage us in conversation, which for us was difficult. The only common language we knew was cricket. So it was plenty of “Tendulkar”, “Michael Clarke” and “MS Dhoni”. But Aajesh persisted, he clearly had something to tell us. So with the help of our fellow Pilgrim, Bala, who spoke Tamil, Aajesh told us his story. He was living in a refugee camp some 30km from the school with his mother and father. His family had been forced to flee nearby Sri Lanka, and chose India as a safe haven. His brother on the other hand had not been as lucky. Being old enough to work and contribute, and hopefully support his family, he set out for Australia. He made it as far as Indonesia where he is currently being held in detention, caught attempting the trip across to Australia. Aajesh was keen to tell us of his brother. He lives in the hope of one day joining him, and he was encapsulated by our stories from our communities and our country. Our visit, and the opportunity to tell his story, clearly placed him closer to his brother.

From India we ventured to Rome, where I was lucky enough to spend a night with our Marcellin College Study group, trading our travel tales in the Piazza Cavour, in the shadow of the Colosseum. We then travelled onto Lyon, and Champagnet territory, basing ourselves in the spiritual home of Marists, Notre Dame de L’Hermitage. Situated in a mountainous region of France where tiny hamlets and villages are literally carved into the surrounding rock, we walked the trails of Marcellin Champangent and mixed with the very communities which embraced him in his work in the early 1800s and beyond.

In witnessing a truly international Marist Project, we could safely say our world view was challenged.

Mr Chris Shields - Director of M-Learning

16 MAY 2014
Mothers’ Day Mass

Last year, we held our Inaugural Mothers’ Day Mass on the Friday before Mothers’ Day. We followed the same format as our usual weekly Mass, except we invited the mums. We were hopeful that mums would come, and they did!

This year, we held our second Mothers’ Day Mass. We invited the mums and hoped they would come - and they did! In fact, the response was truly overwhelming and the Vaughan Centre was packed to the rafters.

It was great that so many mothers and grandmothers came to school to celebrate the Eucharist with their sons and grandsons. John O’Donohue, in To Bless the Space Between Us writes so beautifully about mothers.

Mother,
Formed from the depths beneath your heart,
You know us from the inside out,
No deeds or seas or others
Could ever erase that.

- John O’Donohue

Mr Ian Laing
Religious Education Coordinator

Photos: Mothers’ Day Mass 2014
Family Mass

The great tradition of the Marcellin Family Mass gathered the Year 8 boys and their families to Our Lady of the Sacred Heart, Randwick on Wednesday, 14 May. The Mass was celebrated by Fr Peter Hearn and highlighted the special relationships we have with members of our families.

As usual, the boys were outstanding and, in a moving tribute to their parents, sang Salve Regina Sorella, firstly in English and then in Italian. As Fr Peter stated afterwards, “the music is always great, but tonight it was inspirational”.

Mr Ian Laing
Religious Education Coordinator

Capital Works in Progress

After two and a half years of meetings, consultations, site visits, design proposals and briefs we are finally underway in the capital works program to improve the learning facilities at MCR. Late last week demolition of the old canteen and shade structures in the main yard commenced. This is in preparation for the major construction works that include the building of a new canteen, extension of the Library and creation of a multi-function space above the Library.

Once this phase of the construction is complete, our attention will be drawn to the works that will take place in the Marist Centre with food technology and hospitality rooms and the drama performance space. This is an exciting stage in the development of the College in providing future opportunities for the boys. The newsletter will keep you updated with the progress of the capital works throughout the remainder of the year.

Mr Brian Vane-Tempest - Director Of Development & Communications

National Youth Science Forum

The National Youth Science Forum (NYSF) is a unique 12-day program held in January each year which offers students entering Year 12 the opportunity to test drive careers in the fields of science, engineering and technology.

In January this year, Miguel Vila, Shaun Buckton and David Sudar were fortunate enough to take part in this program. Over the course of the 2 week program, these students were provided opportunities to engage with leaders in the scientific community and industry, as well as participate in a number of lab visits, forums and seminars.

I encourage any Year 11 student who has a keen interest in science to visit the NYSF website, talk with their science teacher or myself and apply for this prestigious program.

Further information can be found on the Year 11 Science Page, or at http://www.nysf.edu.au/

Ms Jeannie Scevity
Science Coordinator

DISCOUNTED MOVIE TICKETS

The Ritz Cinema is pleased to offer all Marcellin students $8 tickets to see THE FAULT IN OUR STARS at the Ritz Cinema throughout the month of June.

Create your own THE FAULT IN OUR STARS inspired fan art to go on display at the Ritz and be in the running to win 1 of 4 ultimate THE FAULT IN OUR STARS prize packs, including a John Green signed copy of the book.

Further information visit www.ritzcinema.com.au

Careers

This week there is a great deal of university information relating to scholarships, faculty information sessions, HSC courses, new degrees, workshops and much more. There are also some interesting events being held by some of the private colleges for those interested in aviation and other more artistic endeavours.

I would also like to remind parents of Year 10 students, but more particularly the boys themselves, that they must be trying to finalise their work experience blocks and returning their forms to me as soon as possible. The forms can be found on the Pathways & Careers page of the College website.

Please see the attached link for the current careers news. If you have any queries, please don’t hesitate to contact me at john.cuthbertson@syd.catholic.edu.au

Thank you to some of our many Trivia Night sponsors...

TRIVIA NIGHT WISH LIST

Thank you to all parents who have already donated goods and services as prizes for our Trivia Night. We have compiled a ‘wish list’ of a few things which we still need to make up great auction packs. The more donated the more money we can raise for our Financial Hardship Bursary program.

Here is what we are still after:

- Bed linen, bed lamps, bedside tables: we have had a very generous donation of a bed so things to go with it would make up a great prize!
- Bar fridge: we would love to fill a bar fridge with drinks and then sell one hundred $10 tickets on the night – someone at the Trivia Night will then take home an instant party!
- Alcohol: to fill the above mentioned bar fridge! Obviously parents would need to drop any donations of alcohol directly into the College Front Office.
- Substantial pot plants: we have had a fantastic response from Year 7 parents for Instant Lottery Tickets and now we would like to pin them on pot plants to make “Money Trees”!
- Entertainment/decorations/cleaning/serving/beverages/marquee: we have received a catering package for 20 people as a prize, and if anyone can add any goods or services to this it would make the prize a complete function package! Any suggestions or ideas welcome!
- Hire car/limo/chauffeur: We have some great ‘experiences’ as prizes, and transport to and from these places would make it very special.
- Tickets to shows: dinner vouchers could be added to these to make a great night out.
- Holidays/accommodation/flights/holiday house: these always make great prizes and we have only received one donation of this type which we are using as a raffle prize.
Dear Parents & Friends of Marcellin,

An everyday part of the human condition is to experience change, loss and grief in some form. Whether it be a change of job, a broken down relationship or the death of a loved one - they all place us in a vulnerable state of mind.

In today’s hectic pace of life most of us don’t have the time to process properly these significant events that occur in our lives. We simply ‘soldier on’ as it were to keep going, to not let these setbacks stifle and paralyse us.

That’s often a good thing but we also know from research that when we don’t deal with these issues at the time and over time effectively, the hurt and pain can resurface.

This evening will feature a presentation on ‘Understanding Change, Loss and Grief’, by Sr Josephine Brimo from the Catholic Education Office Wellbeing Support Team. Our College Counsellor Mr Carl Beattie will also be present. The evening is not intended to delve into the personal stories of those present, rather it is an opportunity to hear from an expert how change, loss and grief are part of our human experience and how best to cope with these in ourselves and with others.

If you are attending please reply with the number of people attending via the email link: brian.vanetempest@syd.catholic.edu.au
About Sr Josephine.....

Sr Josephine Brimo is a Sister of Mercy of the Parramatta Congregation. Her secondary education was at Marist Sisters College Woolwich. She has worked in secondary and tertiary education and held the positions of REC and Geography Coordinator. She concluded her teaching career at Emmaus Catholic College in Western Sydney, a coeducational school with an enrolment of 1500 students. She has been on the Board of Directors for Our Lady of Mercy College Parramatta as well as the Education Administrator for a year in the Broken Bay Diocese. Her formal studies have included a BA Hons (UNSW), a BTh and MTh from the Sydney College of Divinity and a Certificate in Spiritual Leadership and MRE from Loyola University in Chicago.

Prior to working with the CEO Eastern Region, she was the Administrator of a Centre at Campsie which offered a variety of services to families from broken homes and from non-English speaking backgrounds. Presently she works with the CEO Eastern Region in the area of Wellbeing Support. This work involves supporting schools and their families in the areas of Parenting Skills, Change Loss and Grief and the Seasons for Growth Programme, as well as working with some primary schools in the framework of Positive Behaviour for Learning.
SWIMMING (CCC & NSW ALL SCHOOLS)
Following the outstanding success of our Swimming squad at the MCC Carnival in Term 1, nine boys were selected to represent MCC at the CCC Swimming Championships on Tuesday, 29 April. They were Beau McConnell, Alejandro Belmont, Cormac Guthrie, Kel Gollan, Philipp Trupke, Harrison Smith, Jack Rheinberger, Nick Pavlakis & Josh Wilson. My thanks to Mr Nathan Weller for his assistance at the carnival. Our All Age relay team performed particularly well, finishing in second place against strong opposition. This resulted in those 6 boys (Beau McConnell, Alejandro Belmont, Cormac Guthrie, Jack Rheinberger, Nick Pavlakis & Josh Wilson) progressing to the NSW All Schools Championships last week where they finished in sixth position. Congratulations to all boys involved in these competitions.

WINTER SEASON – Rugby League & Soccer
Our Rugby League and Soccer teams have made a very promising start to the 2014 winter season (see detailed results below). The majority of our teams enjoyed victories over Bankstown in the opening round, while Pagewood offered stronger resistance in Round 2. Round 3 against Ryde was much the same, with victories being evenly shared across the two sports.

Congratulations to the following boys who have been selected to represent MCC at the upcoming CCC Rugby League selection trials:

U15  Jonathan Mitsias, Campbell Graham, Bobby Nader, Ethan O’Neill, Harrison Smith
Opens   Tom Perrin, Fraser Graham, Andres Rossini, Nat Butcher, Joshua Ellison

We break from MCC competition next week due to CCC Rugby League trials, and resume with Round 4 on Thursday, 29 May. I would like to remind parents that for boys to participate in MCC Sport each week they must wear the correct team uniform.

ATHLETICS CARNIVAL
The College Athletics Carnival was held on Friday 2nd May at ES Marks Athletics Field. Participation on the part of the boys was fantastic across each age group. It was great to see the enthusiastic involvement in each of the seven events contested throughout the day. Well done to our Age Champions who performed so well across a range of events. Congratulations to the Champagnat house that claimed victory in the overall points tally to retain the aggregate trophy. Champagnat have now won the carnival three years in a row. Another highlight of the day was the staff/students relay which was the final event on the program and one that was keenly contested. On behalf of the staff, thank you to all parents who assisted and provided food for the day, as well as those who attended to support their sons. Your contributions are greatly appreciated. Please see Page 15 for results from the day.

SPECIAL ACHIEVEMENT – Pearse Dolan (Tennis)
Having progressed through the MCC & CCC levels of competition, Pearse Dolan (Yr 11) recently competed at the School Sports Australia Tennis Championships in Perth.

Pearse was a finalist in the individual Australian Schoolboys competition and contributed to NSW becoming the 2014 School Sport Australia Tennis Champions. Pearse made the Australian Schoolboys Merit Team which is a major achievement as only eight boys receive this honour each year.

Congratulations Pearse on these outstanding results.

A request from Vinnies Night Patrol

The St Vincent de Paul Society Night Patrol is seeking toiletries for making up packs that are handed out to the homeless.

Any toiletries, including shampoo, conditioner and soaps would be greatly appreciated. Please hand these in to the Front Office. Thank you for your support.

Join the 2014 Vinnies City2Surf Team

Mums, Dads and Children of all ages are welcome

REGISTRATIONS FOR THIS YEAR'S CITY2SURF ARE NOW OPEN.

2. Select St Vincent de Paul Society from the charity listings
3. Our team will contact you to formalise your participation

Whether you want to walk, jog, side step, skip, moon walk or run the course your support will make a life changing difference.

For more information contact kristina.kanaris@vinnies.org.au or call (02) 9568 0266

Free Workshops for Learner Driver Parents

To help parents in supervising learner drivers, the RMS has set up a FREE 2 hour workshop offering practical advice on how to help learner drivers become safer drivers. The workshop, hosted by Randwick City Council, is on Wednesday 11 June at Bowen Library in Maroubra, 6.30 - 8.30 pm.

Early bookings essential. Phone 9399 0786 or email catherine.hoe@randwick.nsw.gov.au
